LifeCenter Organ Donor Network, a Donate Life organization, began operating as an independent, non-profit organ procurement organization (OPO) in 1981. In 2006, LifeCenter also became a tissue recovery agency.

As an expert in managing donation services, LifeCenter works in partnership with more than 50 local facilities, including three transplant centers. LifeCenter is committed to serving the Tri-State area with the highest standard of honesty and integrity, and providing exceptional service to families touched by donation.

LifeCenter has been designated and approved by the Centers for Medicaid/Medicare as the primary OPO serving eight counties in Southwestern Ohio, six counties in Northern Kentucky, and two counties in Southeastern Indiana. LifeCenter is also accredited by the Association of Organ Procurement Organizations, and the American Association of Tissue Banks.
